7<sup>th</sup> June 2023

Dear Parents,

Greetings from Doon Public School, Hathras!!

When school is over, the first thing students think of is how to have fun. And although the summer holiday is indeed a time to relax, students shouldn't overlook various opportunities for their personality development. There are various activities for which there is never enough time during the school year. It can be a new hobby e.g., children are enthusiastic about Swimming, Yoga, English Speaking practice, Computer Skills, Music, Dance, Art & Craft, reading etc., we should always support children's interests and inclinations, because commitment gives rise to a lot of useful knowledge, patience, discipline, resourcefulness, etc.

Your school has planned so many different activities to make your summer break a fruitful one... list is given below for an ideal summer:

- Spend quality time with friends and family.
- Take out at least 25 minutes to read a book.
- Learn a new word on daily basis preferably the one shared by Principal Sir
- Increase self-study hours.
- Learn new fun activities.
